RESEARCH INTERESTS

Low-resource NLP, LLM Evaluation and Bias, Human-Centered AI, Sign Language and Accessibility.

EDUCATION

- Islamic University of Technology (IUT)** Gazipur, Bangladesh
M.Sc. in Computer Science and Engineering (in progress) Sep 2024 - Present
 - Supervisor:** Hasan Mahmud
- Islamic University of Technology (IUT)** Gazipur, Bangladesh
Bachelor of Science in Computer Science and Engineering; GPA: 3.94/4.00 Jan 2020 - Jun 2024
 - Thesis:** Bangla Text Data Augmentation Framework
 - Supervisor:** Mohsinul Kabir
- Govt. City College, Chattogram (GCCC)** Chattogram, Bangladesh
Higher Secondary Certificate (HSC), Science Jul 2017 - Jul 2019
 - GPA:** 5.00/5.00
 - Talent Pool Scholarship (17th in Chattogram Board)

RESEARCH

C:CONFERENCE, J:JOURNAL, W:WORKSHOP, P:PREPRINT

- C1 Same Claim, Different Judgment: Benchmarking Scenario-Induced Bias in Multilingual Financial Misinformation Detection
Z Liu, Y Cao, Y Jiang, M Kabir, P Giannouris, C Xu, Z Xu, T Zhu, **M Tariquzzaman**, et al.
Findings of ACL 2026 [\[Paper\]](#)
- W2 Prompting with Sign Parameters for Low-resource Sign Language Instruction Generation
M Tariquzzaman, MF Ishmam, SS Muna, MK Hasan, H Mahmud
Vision Foundation Models and Gen AI for Accessibility (CV4Ally) at ICCV 2025 [\[Paper\]](#) [\[Code\]](#)
- W1 the_linguists at BLP-2023 Task 1: A Novel Informal Bangla Fasttext Embedding for Violence Inciting Text Detection
M Tariquzzaman, MW Kader, A Anam, N Haque, M Kabir, H Mahmud, MK Hasan
Best Shared Task Paper at Bangla Language Processing (BLP) Workshop at EMNLP 2023 [\[Paper\]](#)
- P1 BDA: Bangla Text Data Augmentation Framework

DATASETS & SOFTWARE

- BdSLIG** — Bangla Sign Language instruction generation dataset. [\[Data\]](#)
- SPIP** — Sign Parameter Informed Prompting; reference implementation. [\[Code\]](#)
- VITD** — Informal Bangla FastText embeddings for violence-inciting text detection. [\[Code\]](#)

RESEARCH & PROFESSIONAL EXPERIENCE

- Islamic University of Technology, Systems and Software Lab** Gazipur, Bangladesh
Research Member in Natural Language Processing and Human-Centered AI Jan 2023 - Present
- RedDot Digital Ltd.** Dhaka, Bangladesh
Software Engineer Intern on CV Evaluation and Invoice Automation May 2023 - Sep 2023

TEACHING & SUPERVISION

- **Islamic University of Technology**

Gazipur, Bangladesh

Junior Lecturer, Department of Computer Science and Engineering

Sep 2024 - Present

- **Courses:** Computer Programming (with lab), Database Management Systems (with lab), Relational Database Management Systems Lab, Software Engineering.
- **Supervision:** Software Project Lab I and II (supervisor); Design Project and undergraduate thesis (co-supervisor).

AWARDS & ACHIEVEMENTS

- Best Shared Task Paper Award at the BLP Workshop at EMNLP 2023, Singapore.
- Partial OIC Scholarship, Islamic University of Technology (2020 - 2024).
- Talentpool Scholarship for placing 17th in the HSC examination, Chattogram Board (2019).
